

Salute to AACC International Corporate Members

The following AACC International Corporate Members contribute their knowledge, expertise, and professional involvement to ensure the continued strength of AACC International and promote excellence in grain science worldwide. We appreciate their support of AACC International and encourage you to contact them directly for detailed information on their company-specific products. As you review the list, please keep in mind that the e-mail address listed might put you in touch with the AACC International Corporate Member Representative for a company. These individuals may not have an exact answer to your question, but should be able to connect you with the most appropriate person at their company. The information reproduced here is provided by the corporate member representative and is current as of February 10, 2006. Contact AACC International Member Relations Specialist Denise Kessler with any corporate membership questions at +1.651.994.3806 or dkessler@scisoc.org.

A searchable corporate membership directory, as well as a complete listing of companies with descriptions, can be found online in the member directory.

Organization Type Key

- | | |
|---|---|
| 1 – Manufacturer of grain-based food products | 6 – Chemicals and lab products |
| 2 – Manufacturer/supplier of grain-based ingredients | 7 – Government, education/private institutions, or research organizations |
| 3 – Supplier or distributor of nongrain-based ingredients | 8 – Professional association/society, publisher, other organization serving the food industry |
| 4 – Instruments | 9 – Consulting firm |
| 5 – Equipment | |
