

# AACC International Corporate Member Salute

The following AACC International Corporate Members contribute their knowledge, expertise, and professional involvement to ensure the continued strength of AACC International and promote excellence in grain science worldwide. We appreciate their support of the association and encourage you to contact them directly for detailed information on company-specific products. We have listed the name, phone number, and e-mail address of the corporate member representative for each company and ask that you first contact them with any questions. These individuals may not have the exact answer to your question, but should be able to direct you to the appropriate person within their organization. The information here is provided by the corporate member representative and is current as of January 1, 2008. Contact the AACC International membership department with any corporate membership questions at +1.651.454.7250 or [aaccinfo@scisoc.org](mailto:aaccinfo@scisoc.org).

A searchable corporate membership directory, as well as a complete listing of companies with descriptions, can be found in the online corporate member directory at [www.aaccnet.org/directories/corpmemb.cfm](http://www.aaccnet.org/directories/corpmemb.cfm).
